25 - 27 MAY 2024

This course covers a broad variety of aspects of Yoga Nidra including the main techniques, history and schools of Nidra and the immensely useful skill to prepare and deliver Nidra scripts.

Yoga Nidra is considered by some to be the meditative heart of yoga, where deep transformation is possible when we enter the enchanting space between waking and dreaming. As we traverse this space, a magical realm of endless possibilities unfolds, inviting us to explore the depths of our being. The emphasis is on empowering you to find **YOUR** authentic way of teaching Yoga Nidra and to obtain the knowledge to offer what is needed for different students.

With accreditation from Yoga Alliance (USA) and Yoga Alliance International (India), this course offers you a gateway to unlocking the power of Yoga Nidra.

“Yoga Nidra is the yoga of aware sleep. In it lies the secret of self healing.

Yoga Nidra is a Pratyahara technique in which the distractions of the mind are contained and the mind is relaxed.”

~ Swami Satyananda Saraswati ~
